

Disney's Polynesian Villas & Bungalows Fact Sheet

Overview

Disney's Polynesian Villas & Bungalows, the newest addition to the growing Disney Vacation Club portfolio, delivers the spirit of the South Pacific coupled with fun Disney touches to create a resort that only Disney Vacation Club can provide. Near the picturesque white-sand shore of Seven Seas Lagoon, these new accommodations are located a quick monorail ride to the enchanting Magic Kingdom Park, and steps away from the various world-class amenities available at Disney's Polynesian Village Resort, one of the original Walt Disney World Resort hotels.

South Pacific Ambiance Meets Disney Magic

Transporting guests to a tropical haven, Disney's Polynesian Villas & Bungalows reflects the classic features and atmosphere of its sister resort hotel with authentic South Pacific styling and whimsical details. The Polynesian theming and detailed architecture of this resort are visible from the minute guests step into the Great Ceremonial House, the resort's re-imagined lobby. A large Tiki statue welcomes guests with outstretched arms as it sits on a lava rock water feature. A charming chandelier inspired by Polynesian native navigational instruments, including bamboo finishes and glass globes gives the lobby an even more authentic feel.
